**WITHDRAWAL OF APPLICATION**

Applicant Delta Foundation of Pittsburgh, Inc., by and through counsel, hereby withdraws Application Serial No. 90/153,754.

Delta Foundation’s intention as the dissolution and Covid pandemic played out was to protect the integrity and reputation that the Pittsburgh Pride event has and to ensure that it remains an event that occurs for and by the LGBTQ+ community. The Executive Committee of the Foundation met and agreed that based on this year’s positive success of Pride Revolution, Pittsburgh Black Pride and Washington PA Pride, as well as the many local neighborhood Pride events that also took place, the Foundation will relinquish the trademark application. The Foundation’s hope is that this action will empower all of the Pittsburgh regional Pride events to move forward in a positive and supportive manner in uniting the LGBTQIA+ community.

Respectfully submitted,
